## SKILLS SUMMARY

- **Languages:** C, C++, Java, Python, HTML, CSS, Java Script
- **Tools/Platforms:** VS CODE, Git, GitHub, Figma, Antigravity
- **Backend:** MySQL, PostgreSQL
- **Soft Skills:** Team Collaboration, Problem-Solving, Adaptability, Communication, Critical thinking, Leadership

## PROJECTS

### Chroma — Online Color Selector | HTML, CSS, JavaScript | [GitHub](#)

- Developed an interactive web-based color selector that allows users to explore, select, and work with colors through a simple and responsive interface.
- Implemented dynamic color selection and real-time UI updates using JavaScript.
- Designed a clean, visually appealing interface using HTML and CSS with a focus on usability and responsive design.
- Deployed the project online and maintained the source code using GitHub.

### Neon Dodge — Browser-Based Arcade Game | HTML, CSS, JavaScript | [GitHub](#)

- Developed a browser-based arcade game where players control a character and dodge incoming obstacles to achieve a high score.
- Implemented real-time player movement, collision detection, obstacle generation, scoring, and game-over logic using JavaScript.
- Designed a neon-themed interface with animations and interactive gameplay elements using HTML and CSS.
- Implemented increasing gameplay difficulty to make the game progressively more challenging.

## TRAINING

July 2026

### Cybersecurity Awareness Program | Community Development Project [Lovely Professional University/WNS Cares Foundation] | 2026

- Conducted a cybersecurity awareness program for **30 students**, focusing on safe digital practices and common online security threats.
- Educated participants about **phishing, password security, social engineering, online privacy, and cyber hygiene**.
- Prepared and delivered awareness material to explain cybersecurity concepts in an accessible manner.
- Interacted with participants and addressed their questions regarding safe and responsible internet usage.

## CERTIFICATES

- |                                                                                          |          |
|------------------------------------------------------------------------------------------|----------|
| • Cyber Smart — WNS Cares Foundation   <a href="#">Certificate</a>                       | Feb 2026 |
| • Introduction to Cyber Security — Infosys Springboard   <a href="#">Certificate</a>     | Mar 2026 |
| • Python Programming — Microsoft   Skill India Digital Hub   <a href="#">Certificate</a> | Jun 2026 |

## Extra-Curricular/Achievements

- Captain of Interschool Football Competition Winner Team .
- Made Simple Working Application using HTML, CSS & JAVASCRIPT .
- Completed a Project which includes usage of various electronic devices .

## EDUCATION

- |                                                                                                                    |                                         |
